# FUELING INDIA'S GROWTH STORY ELEVEN YEARS OF MODI GOVERNMENT

Coal & Mines perspective

# A DECADE OF MILESTONES

Viksit Bharat ka Amrit Kaal  
Seva, Sushasan, Garib Kalyan ke  
**11 SAAL**

Surpassed **1 billion metric tonnes** in both coal production & dispatch for the first time

**70% growth** in coal production over the last decade

Under **National Critical Mineral Mission**, India enhances strategic mineral partnerships

**5 lakh+ workers** directly powering coal sector transformation

**11 Years of Transformation in Coal & Mines Sector under Modi Government (2014–2025)**

# STRUCTURAL REFORMS

Viksit Bharat ka Amrit Kaal  
Seva, Sushasan, Garib Kalyan ke  
**11 SAAL**

Since 2015, 204 coal blocks that were cancelled by the Supreme Court are being **transparently re-auctioned**

In 2020, **commercial coal mining was launched**, opening the sector to private players

Over **150 mines have been auctioned** across 11 rounds; the 12th is ongoing

Through auctions & royalties, states earned **₹4.4 lakh crore**; coal alone gave **₹1.6 lakh crore**

**11 Years of Transformation in Coal & Mines Sector under Modi Government (2014–2025)**

# TECH IN THE MINES

Viksit Bharat ka Amrit Kaal  
Seva, Sushasan, Garib Kalyan ke  
**11 SAAL**

Launch of **Digital Coal platforms** and Integrated Command & Control Centre

Deployment of **AI, 5G, GPS, Drone tracking** across mining operations

Digital twins of coal mines to **enhance operational safety**

India's **first Coal Trading Exchange** on the horizon

**11 Years of Transformation in Coal & Mines Sector under Modi Government (2014–2025)**

# CHAMPIONING SUSTAINABILITY

**₹8,500 crore coal gasification**  
program approved

Roadmap to reach **100 million tonnes** of underground mining  
by 2029–30

**Progressive mine closure policies** & their effective  
implementation have been a  
top priority

**By 2030, 90% coal** to be loaded  
through eco-friendly systems  
under First Mile Connectivity

Under **Net Zero Commitments**,  
a more balanced energy mix  
cut coal's pipeline and capacity  
share from 60% to 47%

**11 Years of Transformation in Coal & Mines Sector under Modi Government (2014–2025)**
